Analysis of Covariance (Quantitative Applications in the Social Sciences)

Publisher: SAGE Publications, Inc

(November 1, 1978)

Language: English

Pages: 91

Size: 19.28 MB

Format: PDF / ePub / Kindle

This book presents a technique for analyzing the effects of variables, groups, and treatments in both experimental and observational settings.

It considers not only the main effects of one variable upon another, but also...
